

Sidetracks

STANDARD
SIDETRACKS

For most residential screen applications, our standard sidetracks are the perfect way to install our Motorized Screens. These tracks can be used perfectly in your Inside Above Header (IAH) Mounts screen in conjunction with a Keder system.

Dooya Tubular Motors

Dooya is the global leading manufacturer of window and door automation. They claim that every 6 seconds, one Dooya Motor is installed worldwide. These motors have been deployed on thousands of our screens over the years with great performance and success.

For your house we will use a Dooya motor 50nm

Fabric

For a motorized screen, the fabric or mesh is really the star of the show. Depending on the applications, from insect protection to solar protection and privacy needs to full-blown weather protection, We have the right screen for the job. The most installed option in Texas is SUNTEX® 80 SOLAR - Black Color, Great Solar, Insect and privacy protection.

Terms and Conditions The Manufacturer Motorized Awnings & Screens warrants solely to the original purchaser of The Manufacturer Motorized Awnings & Screens that the screen purchased shall be free from defects in materials and workmanship under normal use as long as the screen remains at its original installed location and is owned by the original purchaser. This Limited Warranty does not apply to: (a) mesh and mesh components; (b) clear and colored vinyl materials; (c) asserted defects caused by modifications, misuse, or abuse, or improper maintenance of the screen; (d) asserted defects involving subjective personal likes or judgments; (e) defects asserted by any purchaser who did not purchase the screen from an authorized The Manufacturer Motorized Awnings & Screens dealer; (f) specific components as outlined below:

Motors and controls: The Manufacturer Motorized Awnings & Screens warrants the electric motors and controls for a period of five years, commencing from the date of satisfactory installation for the original purchaser, against failure under expected normal use. Warranty is void if the electric motor is exposed to water, acts of God or abnormal conditions.

Electrical and electric accessories: Sun Protection of Florida warrants the electric components, including remote transmitters and receivers for a period of five years, commencing from the date of satisfactory installation for the original purchaser, against failure under expected normal use. Warranty is void if the electrical components are exposed to water, acts of God or abnormal conditions. The costs of removal, shipping and installation of the included materials are under warranty for a period of one year from a Sun Protection of Florida dealer.

Fabrics: Phifer SunTex® limited warranty covers the fabric becoming non-functional because of loss of dimensional stability from exposure conditions including sunlight, mildew, rot and normal atmospheric conditions. Abnormal or excessive discoloration and fading is covered. It does not cover discoloration from atmospheric pollution or other debris. The warranty coverage runs for 10 years from the date of purchase. Phifer Incorporated will provide new fabric, free, to replace the non-functioning fabric. The warranty does not cover the cost of labor or other consequential or incidental expenses.

Limitation on Obligations: The obligations of The Manufacturer Motorized Awnings & Screens hereunder are limited to repair or replacement (at our sole option) of included parts of the screen found to be defective under the Limited Warranty. In no event shall The Manufacturer Motorized Awnings & Screens be liable for damages of any type, including, but not limited to, economic loss, or any indirect, punitive, special, incidental, or consequential damages of any type, including, but not limited to, time, wages or lost profits, of any nature or kind, or for damages to or loss of property, whether caused by negligence or otherwise. Any implied warranty, including, but not limited to, the implied warranty of merchantability and the implied warranty of fitness of a particular purpose, is hereby limited in duration to

that of the express limited warranty contained in this document, unless a shorter period is permitted by law. This document sets forth the entire liability of The Manufacturer Motorized

Limited Lifetime Warranty Our Limited Lifetime Warranty covers the screen components (excluding mesh, motors and controls) to the original purchaser for the lifetime of their home. It also includes a labor warranty from your The Manufacturer Dealer that covers the delivery and installation of the warranted components **for the first 12 months.**

Awnings & Screens. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

No Other Express Warranties The Limited Warranty set forth herein constitutes the entire express warranty and representation of The Manufacturer Motorized Awnings & Screens with regard to its screen products. This Limited Warranty shall be controlling over any conflicting terms and conditions of any purchased orders, contracts, or invoices which may be executed in connection with the purchase of The Manufacturer Motorized Awnings & Screens products. No representation or warranty made by any The Manufacturer Motorized Awnings & Screens dealer, agent, representative or employee shall be binding to you or The Manufacturer Motorized Awnings & Screens, other than set forth herein.

Warranty Disclaimer: The Manufacturer Motorized Awnings & Screens Roll Screens are not hurricane rated and are not intended to be used in the event of high winds. Our screens are rated for up to 40 MPH winds and should be in the up or closed position before wind gusts reach 40 MPH. Failure to roll up your motorized screen in high wind situations will render your warranty null and void.
